If the bride had been previous married and her former husband's family name is known, it is given after the number of marriages.

Rural Routes often crossed state lines.

These records were copied with the co-operation of many people. First Jacqueline Rowan, Clerk of DeKalb County, Indiana. No one could forget Barbara Haynes who was most encouraging and knows so much about their records. Janelle Graber, Librarian of Eckhart Library, Auburn, Indiana, who is responsible for making the records in book form and many of her staff. Also Lina Zerkle, Deb Kennedy, and Lynn Kaiser. THANK YOU ALL!

If the bride had been previously married and her former husband's family name is known, it is given after the number of marriages.

Rural houses often crossed state lines.

These records were copied with the cooperation of many people. First Jacqueline Rowan, Clerk of DeKalb County, Atlanta. She was quite helpful. Barbara Hayes who was most encouraging and knows as much about local records. Isabelle Cooper, Librarian of Exeter Library, Exeter, Indiana, who is responsible for making the records as good as they are and many of her staff. Also Jim Zedler, Bob Kennedy, and I got them. THANK YOU ALL!
